

# Share the Blessings of Your Day...

Your wedding day marks the first day of your new life together. On such a blessed occasion, you can also touch the lives of children and youth at Cunningham Children's Home.

**Wedding Favors:** What better way to thank your guests than by honoring them with a gift that makes a difference in children's lives? Cunningham will provide you with a personalized announcement of your honor gift.

You may request custom colors for the favors, which will be sent to you ready to tie into a scroll with ribbon of your choice.

There is no set charge for Cunningham wedding favors. We suggest that you make a gift to Cunningham that reflects your budget and what you would have spent on traditional wedding favors.

**"In Lieu of Gifts" Invitation Cards:** Cunningham can also provide you with invitation insert cards requesting that gifts be made to Cunningham in lieu of wedding gifts. You may request custom colors for the lettering and background image.

These keepsake gift options provide you with a unique and remarkable way to share the joy and love of your wedding with children and youth in need.

## We are interested in including Cunningham in our wedding plans.

Please contact us to discuss gift options, colors, quantities and the date of our upcoming wedding.
