Thank You!

By providing these basic necessities, you are making a difference in the lives of remarkable kids who need a safe place to heal, learn, and grow. We are so grateful for your help and generosity! The items listed are needed year round and play an important role in our care for them.

Please consider donating gift cards from:

Amazon
Dollar Tree
McDonald's
Ross
Target
Walmart

If you prefer to give a gift card, please consider giving a single gift card rather than multiple gift cards. One card for \$25 is easier for our youth to use than five gift cards worth \$5 each. If the entire amount on the card isn't spent, the card is turned back into Accounting for another youth to use. Thanks again!
