Client Rights, Expectations, and Responsibilities Handbook

Welcome to HopeSprings Counseling Services, A Program of Cunningham Children's Home

For more than 120 years, Cunningham Children's Home has developed great expertise in working with youth in crisis and their families. As the needs of our community change and grow, Cunningham believes it's time to share our expertise with everyone.

We welcome the opportunity to provide you with high quality counseling services. This manual outlines your rights as a client, your responsibilities while receiving counseling services and the expectations of those receiving services at HopeSprings.

Cunningham's mission is to nourish hope through effective solutions so children thrive and families flourish. HopeSprings provides hope and healing directly to youth and families in our community. We offer a safe and nurturing environment that allows opportunity for growth, healing, and recovery. Counselors are highly trained in trauma-informed care and are able to use their expertise to help guide the recovery process.

Treatment Process

When you seek treatment at HopeSprings you will be assigned a therapist. You and your therapist will work together to complete a comprehensive assessment and treatment plan. You are the most important person involved in your treatment. You have choices in your treatment, which include involving your family or others in your treatment.

With your input, the treatment plan guides your treatment. It identifies treatment goals, objectives, and measurable outcomes for you to work on with your therapist. The treatment plan also identifies the types of services, frequency and duration of the services you will receive as well as the staff responsible for providing the service. You and your therapist will review your treatment plan at least every six months. As you make progress or circumstances change, changes can be made to your treatment plan. Your therapist will go over benefits, risks, side effects, and alternatives of your treatment during the treatment planning process.

It is important that you attend your scheduled sessions consistently. If you need to cancel or reschedule your appointment, please do so with at least 24 hour notice so that we can offer the appointment time to someone else who may be waiting. If you are not consistent in attending your therapy appointments, you could be discharged from services. If you miss three consecutive therapy sessions or your overall attendance is inconsistent, HopeSprings could terminate your services.

60 days following the completion of your treatment or termination of services, your therapist or a HopeSprings staff person will contact you to see how your recovery is going. They will review the progress made while at HopeSprings and explore your desire and/or need for additional services. These services could be counseling services at HopeSprings or services provided at other social service agencies in the community.

HopeSprings' Grievance Process

As a client at HopeSprings Counseling Services, a Program of Cunningham Children's Home, you have a right to file a grievance (complaint) about the services you receive, decisions that are made or how you are treated. This explains what a grievance is, how to file a grievance, and how HopeSprings/Cunningham staff will respond to a grievance. If you have more questions about this process, talk with your therapist or the associate director of clinical services.

1. What Is A Grievance?

A grievance is a complaint. Grievances can be about many things, but most grievances involve how you are treated, services you receive or decisions that are made that you believe are not the best for you.

2. Who Can File A Grievance?

- You (the client)
- Your legal guardian (if applicable)
- Professional staff involved in your case

3. How Do I File A Grievance?

- a. Ask for a grievance form from your therapist or the Program Assistant. The form has 3 questions:
 - 1) What are you filing a grievance/complaint about?
 - 2) What right(s) have been violated?
 - 3) What would you like to see happen in response to your grievance/complaint?

*If you need help filling out the form, any staff person can help you. Be sure to sign and date the completed grievance form.

- b. The completed form may be given to the Program Assistant or to your therapist. The person who receives the grievance will sign and date the grievance form and make a copy for you.
- c. The grievance form will then be given to Ann Percy, the Director of Community-Based Services. Ann will decide who will review the grievance. Depending on the issue, it may be reviewed by either Ann or the Associate Director of Clinical Services.
- d. Either Ann or the Associate Director of Clinical Services will schedule a meeting with you to talk about the grievance. After the meeting, Ann or the Associate Director of Clinical Services will schedule a meeting with you to talk about the grievance. After the meeting, Ann or the Associate Director of Clinical Services will send you a letter telling you what was decided. This step may take up to 10 business days.

e. If your grievance has not been resolved, it will then be forwarded to Pat Ege, Vice President of Program Services. Pat will schedule time to talk with you about the grievance. After the meeting, Pat will send you a letter telling you her decision. This step may take up to 10 business days.

f. If the grievance still has not been resolved, Pat will send the grievance to Marlin Livingston, President/CEO. The President/CEO will schedule time to talk with you about the grievance. After the meeting, he will send you a letter telling you his decision about your grievance. This step may also take up to 10 business days. Marlin's decision is generally final and cannot be appealed. However, depending on the nature of the grievance and our ability to resolve the issue, your grievance may go to the Cunningham Board of Directors for review. The decision of the Board is final and cannot be appealed.

4. What Else Should I know?

- Any staff person involved in your grievance will not decide how it will be handled. This may mean that the grievance will skip a step or another person in a similar position will review your grievance instead.
- You may take back or stop a grievance you've submitted at any time.
- There will not be any consequence for filing a grievance.
- The 10 business day time limit for each step of the grievance process may be increased if both you and the staff person agree. If Cunningham staff do not meet the 10 business day time limit (and you did not agree to a change), the grievance will move to the next step in the process. The grievance will not automatically be resolved in your favor.
- If you have any problems using the grievance process, please contact Shawn Peterson, Director of Quality Improvement (speterson@cunninghamhome.org or 217-367-3728) for help.
- You may also present grievances to the agency that is funding your services at HopeSprings. These agencies have their own grievance procedure. Contact information is below:

Cancellations and Missed Appointments: Insurance companies and Medicaid do not pay for missed or cancelled appointments. Cancellations require at least 24 hour notice by phone. If we are closed or otherwise unavailable, leave a confidential voice mail to cancel. If an appointment is canceled or missed without the appropriate notice, you will be charged \$25.00.

Late Cancellations: HopeSprings understands that illnesses and emergencies happen. Each client will be gifted one free late cancellation per calendar year. In order for the free late cancel to be applied, you must inform us at the time of cancellation of appointment. For all other cancellations, you will be charged a \$25.00 late cancellation fee (this is discounted from our usual hourly rate of \$150.00).

_____ **No Shows:** If you do not show up for your scheduled appointment and do not provide a minimum of 24 hour notice you will be charged a \$25.00 fee, no exceptions. We are not like a doctor's office where we schedule multiple people an hour knowing some may not show up. Our providers set aside one hour specifically to see you. It is not acceptable to no show your appointments.

_____ **Past Due Accounts:** If you do not pay for services on time, you may have services terminated. All past due accounts will be assessed a \$25.00 penalty if payment has not been received within 30 days. All clients may request a payment plan. Clients have 10 business days to agree to a payment plan or pay balance in full once notified their account is past due. If the balance remains unpaid or a payment plan has not been established in the appropriate time frame, the client will be notified by mail that services are being terminated as of the effective date of the letter. Accounts with a balance of \$50.00 or more must reduce their balance to \$0 or set –up a payment arrangement with the Intake & Accounts Receivable Specialist before scheduling future appointments.

_____ **Health Insurance:** Health insurances are used to assist in the payment process; however, you are ultimately responsible for payment. In order to best serve our clients with private insurance, HopeSprings requires that you consent to the following information:

1. HopeSprings is authorized to bill my insurance company on my behalf for services provided.
2. I give permission to HopeSprings to release any and all information required in order to process payment with my insurance provider.
3. HopeSprings is authorized to act on my behalf for obtaining payment, and I authorize the rights to the claims and payments from my insurance to HopeSprings. Should I receive any reimbursement directly for services provided to me by HopeSprings, I will turn over the payment within ten business days.
4. I understand that HopeSprings will assist in submitting billings to my insurance company for payment but that not all mental health services are covered by insurance companies.

Financial and Benefit Information

1. I understand it is my responsibility to communicate any changes to my benefits or financial information, if applicable, to HopeSprings.
2. I understand that at a minimum, HopeSprings will require annual benefit information updates.

Fee Agreement: I understand I am responsible for paying the following amount at the time of each appointment:

Emergency Planning

- ❖ **If there is no risk of harm to you or someone else, we ask that you/your family:**
 - Write down information about the emergency that you would like to discuss in your next session; or
 - Call HopeSprings Counseling Services if a more immediate response is needed. Depending on the nature of the emergency, your therapist may request a brief phone meeting or an additional session to manage the situation.

- ❖ **If there is a risk of harm to you or someone else, we ask that you/your family:**
 - Call the appropriate crisis line number (a list of crisis lines by county as well as suicide hotlines are provided on page 21 of this handbook).
 - If the risk of harm is more urgent than can be managed by contacting crisis line, immediately go to your local medical center/emergency room.
 - Contact HopeSprings Counseling Services after you have accessed the crisis line and/or medical care and are safe. We'll want to know basic information about what happened as part of planning for your next session.
 - Following stabilization and discharge, your therapist will want to discuss what led to the need for contacting the crisis line, a hospital visit and/or details of any hospital stay (e.g., changes in medications, diagnoses, treatment recommendations, etc.) as well as your emotional and behavioral status post-discharge.
